SEPTEMBER 2016

Dear Coastal Federation Parents/Carers,

COMING SOON...

'The Coastal Federation Family Support Team'

Planned to start during September, [The Coastal Federation](#) will be offering a support network for children and families. Our **Family Support Team**, Barbara Vanlint and Boo Tumber will work across our three schools during the week, supporting the needs of children and their parents/carers.

We aim to offer weekly drop-in sessions at each of the schools and bespoke packages of support to help with a variety of parental and child-led needs - ranging from emotional support to practical help and guidance.

During September we will publish a lot more detail regarding the support that our Family Team can offer and how it can be accessed.

Regards,

Simon Wakeman
