'together aspire, together achieve, together we are stronger...'

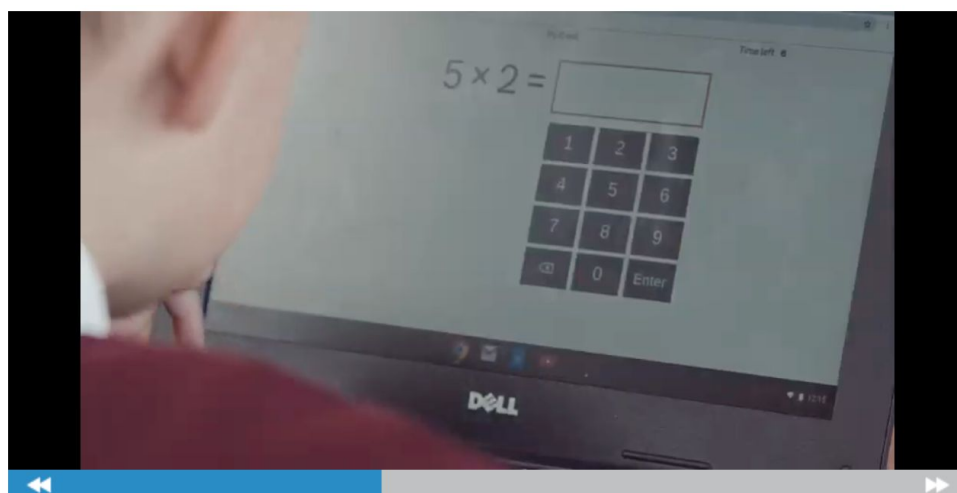

4th April 2019

Dear Year 4 Parents,

Year 4 National Multiplication Check

In 2020 Year 4 children will take part in a new, national statutory multiplication check. The Government are piloting the tests this year and The Coastal Federation will be taking part.

The test will judge how well each child knows their multiplication tables up to 12x12, using an online testing tool which we can administer during the summer term. The results will be shared with us to help us best support the children. There is a link below to a video which explains a little more about it.

[CLICK TO WATCH VIDEO](#)

Or go to this link <https://www.youtube.com/watch?v=GhAJMJUsAac&feature=youtu.be&safe=active>

The children will get a chance to try and familiarize themselves with the format of the test, so that they know what to expect when we do the pilot test for real.

Yours sincerely

Simon Wakeman
Executive Head
