'together aspire, together achieve, together we are stronger...'

Friday 30 April 2021

Dear Parents and Carers,

Keeping you informed

Over the past year we have had to get used to a number of things in the new "normal" including how we communicate with you. We have been using email links, and texts to guide you towards weekly messages and updates from classes for a while however, over the past few weeks we have been updating our platforms and focusing on our new look website. We have also ensured that our weekly updates now display perfectly on a mobile phone as well as a tablet and computer.

Here is a reminder of the information that is shared with you and where to find it. Weekly updates for each class will be added to the school websites on a Friday. This will include information about what your child has been learning that week and in most cases will include accompanying photographs. These class updates can be located using either the classes tab or the latest news tab along the top of the page. The website will also be used for more general reminders, information and recently issued letters. These can also be accessed from the latest news tab - live info section.

When the weekly updates for each school are available to view we will alert you by sending an email with a link to the latest update page and also add a link on our Facebook pages.

Our vibrant and informative new websites for all three schools, (Mundesley Infant and Junior Schools and Bacton Primary) are live and waiting for you to visit. We hope you like what you see and welcome your feedback. Happy browsing.

Mundesley Infant School
Mundesley Junior School
Bacton Primary School

Yours sincerely

David Hopkins
Deputy Executive Head
