Year 6 Residential 2022

Dear Year 5 Parent,

We are looking at a potential location for our Year 6 Residential next year in July 2022.

Due to the current uncertainty of COVID it is difficult at the moment to know how we will feel this time next year. The two options that we are considering are related to the distance of travel.

We would like to take the children to the Isle of Wight again, as it was a superb visit and very good value for money but that does involve a long trip by road and boat and if a child were to be COVID positive, it would be a long way for a parent pick-up! Alternatively a local visit to somewhere in Norfolk would be good for travelling but it doesn't expand a child's horizons or give them a real feeling of independence. The options available are:

[Norfolk Lakes](#) - limited availability - 16th-20th May, 23rd May- 27th May, 6th-10th June at a cost of £456. Or 18th-22nd July at a cost of £433. In addition to this we would have to add coach costs of approximately £10.

[Isle of Wight Experience](#) - 18th-22nd July £348 - this is a complete price which includes travel.

Other local options explored all cost around £450 for a week with additional travel costs. (*All children in receipt of Free School Meals would pay half of the total cost of any visit booked*).

So we have a bit of a dilemma, which is why we need your feedback, appreciating that next year seems a very long way away! Please [fill in the survey](#) to help us with the decision by **Thursday 27 May**.

Many
