Dear Parents/Carers,

Welcome to Year 3!

Your child is now ready to move up to the Junior School and begin the next phase of their school career. We are very much looking forward to welcoming you and your child to our Mundesley Junior School community.

To support children through the change they have been taking part in a number of experiences including activities with their current class teachers; visits to the Junior School in groups and visits from their new class teacher, Miss Clarke.

Please find attached your welcome pack. This pack contains a detailed welcome booklet, further information about our school and all of the documentation you will need for school admission. Please read this carefully, complete the forms and return them to the school office in the envelope provided. School uniform can be ordered and purchased directly online from www.birdsofdereham.com.

Communication

A reminder that all communication is electronic wherever possible, and all communication is posted on the website in the Latest News section. You need never worry about missing a letter, just look back to check for it. In addition the website is your first stop for all information regarding the school, and anything that goes on there, so please check it regularly to see what's new. Each week the clases have a post that describes what the children have been doing and pictures to illustrate their work. Do take a moment to check it out and if in doubt - check the website!
