16th December 2021

Dear Parents/Carers,

**PTFA: Fundraising Update**

In November the PTFA was reestablished with a new committee. Since then we have been very busy trying to fit in as much fun as possible before Christmas.

We would like to say a MASSIVE thank you to everyone who has taken part. We have been overwhelmed by the generosity of all our parents, carers, teachers and members of the community who have donated and purchased tickets for the events.

We have had a count up and the total raised so far is a staggering.....

  
**£921.57**

This was achieved from our 'Raisin Funds', Winter Disco's and Christmas Raffle, and we can't wait to carry on this success in 2022 and provide the school with valuable equipment and resources, so watch this space!

From all of us on the PTFA, we hope that you and your loved ones have a very Merry Christmas and a Happy New Year.

Warm Regards

**Emma Cotter**  
Chair of PTFA
