Dear Parents

## Year 3 and 4 Structure for Academic Year September 2022/23

Each year as we approach the new academic year, we review our current class structures in terms of size, mix and a number of other factors. We then create a structure that we believe provides the optimum learning access for our children who will be in those cohorts.

In September we will have 2 parallel 3/4 classes which will provide a more equal balance in terms of numbers and all the other factors we consider. The makeup of each class will be mixed ability, based on social groups, ensuring that we have an equal number of boys and girls in a class. In addition, this is supported by our curriculum which is a rolling programme and both years will be studying the same topics. Whilst the wider curriculum, English and Reading elements are the same there will be some parts of the learning timetable that will be split into year groups. Please find below an example:

Session	Subject	Cohort
Session 1	Guided Reading & English	3/4 In Classes
Break		
Session 2	Spelling & Maths	In Year Groups
Lunch		
Afternoon	Topic	3/4 In Classes

Our move-up days are on Monday 18th and Tuesday 19th July. The children will find out who their new teacher is on the first move-up day.

Kind regards
