Dear Parents

Isn't it nice to finally have some lovely weather…? In the UK we are programmed to never really be happy with the weather - how often do you hear people say - 'what a perfect day!' … I'm guessing not often?

However, over the next week or so, we are being told by forecasters that it's going to be warming up. So, to make life in school more bearable, we will be allowing children to wear their PE kit for the whole of next week (black or navy shorts and white t-shirts) should they wish to do so - this is not compulsory. I know this goes without saying but please could you apply sunscreen to your children before school and provide them with a bottle of water, which we can refill at school to keep them hydrated and a hat of some sort.

If conditions become unpleasantly warm then we will adapt our curriculum accordingly by planning carefully regulated breaks, allowing children to keep as cool as is practicably possible and ensuring that we use our outdoor shady spaces.

Let's not forget, in a few weeks time we will be wishing for warmer weather… !!!

Take care and look after those around you …!

Abi Howett
Head of Schools MIJS
