Dear Parents/Carers,

Henna Artist Workshop - Tuesday 11th October

Key Stage One's topic this term is Celebrations. During this topic, the children are learning about the importance of different festivals and celebrations in Indian Culture. As part of their experience, we have invited a henna artist to school on Tuesday 11 October. She will be leading a workshop with both Jemison and Earhart Class. During the workshop, children will each have the opportunity to have a small henna design painted onto their hand. This design will not wash off and will last around 10 days.

The ingredients in the henna powder are:

- Crushed henna leaves
- Brown sugar
- Lavender essential oil
- Water

Please fill in the survey below to give permission for your child to receive the henna design on their hand.
