Friday 23 September 2022

Dear Parents and Carers,

School Meal Pop Up Taster Session for Parents
Thursday 29 September 2022 2:45pm

Each week you book, (and in the Junior School pay for) a school lunch for your child. For many of us it has been a long time since we had a school dinner and they really have changed! We would like to invite you to our parent tasting event which will be held on Thursday 29 September at 2:45pm in the Junior School.

The majority of items available on the menu are not only sourced locally but also cooked fresh and from scratch every day. Providing all children with a nutritious hot meal option every day helps to set them up for learning and developing during the school day. We would like you to book your child's meals with confidence and see what has changed. The event is free so come in and see what is on offer.

Abi Carter
Head of Schools MIJS
