Harvest Festival & Family Learning Event
Thursday 20 Oct 2:00pm

This year we will be hosting a family learning event for our Harvest Festival celebrations.

The event will be held over the 2 schools with "Activity Zones" set up for each House group. This means all your children will be in one zone and will be able to participate together. After the activity, parents are invited to the Junior school playground, where the children will join them for an outdoor service with Reverand Joanna Haywood from All Saints Church in Mundesley.

During the week commencing 17 October we would very much appreciate children bringing in/or dropping items to the school offices of food items for the Food Bank (See Below). All contributions will be gratefully accepted and we would like to thank all of you in advance for your generosity.
