Coastal Together

'together aspire, together achieve, together we are stronger...'

07 October 2022

Hello Yellow Day 2022 - Monday 10 October

Did you know that according to the latest NHS figures, nearly half a million young people are being referred for mental health problems every month, that's more young people than ever before seeking support.

This World Mental Health Day join us on 10 October by showing our children that how they feel matters and help create a future where all young people get the support they need, when they need it.

We will be running activities for the children throughout the day and are asking for everyone to wear an item of yellow. This can be a hair band, socks, hair slide, wrist band, scarf etc. This is to raise awareness and make sure that we have those important discussions openly. In the event you did want to make a donation this is available on School Money only. We are unable to take cash.
