Dear Parent/Carer

Lunch Bookings - Information/How to Book/Changes and Alterations

We know that children who have a substantial meal in the school day benefit from increased concentration and learning levels. In the Junior school, all meals are priced at £2.30 for two courses plus fresh fruit and vegetable sticks which all children receive. In the infant school **ALL** children are entitled to a free school meal.

We are currently experiencing an increase in late or no bookings and queries to make changes. All our food is freshly prepared and ordered in advance please ensure that you make bookings in advance. This term's menus can be found on the school website and noticeboards.

Bookings

Meals are ordered using the online system. Please log onto https://secure.pupilasset.com or via the Teachers2Parents app. *Please note that when booking for the following week there is a cut off for ordering lunches on the Friday at 3.30pm, this means that the option to book will be taken offline.* This is to ensure that our kitchen staff are able to plan and order the correct amount of food required for the following week.

Changes to meals/bookings

We are unable to make changes to lunch bookings. If you have not ordered a lunch then the school admin team will contact you or a family member/friend on your contact list and you/they will need to bring in a packed lunch to the office for your child.

Free School Meals

Whilst all Infant school children are eligible for a free school meal, you may also be eligible for means tested free school meals which also provides additional funding for your child and discounted school trips/visits.

If you think your child/children may be eligible for free school meals visit: Free School Meals Application applying is quick and easy - don't delay even if you are not sure if you qualify.

If you have any questions please contact the School Office on 01263 720401

Kind Regards

Abi Carter
Head of Schools MIJS
