'together aspire, together achieve, together we are stronger...'

30 March 2023

Dear Parent/Carer,

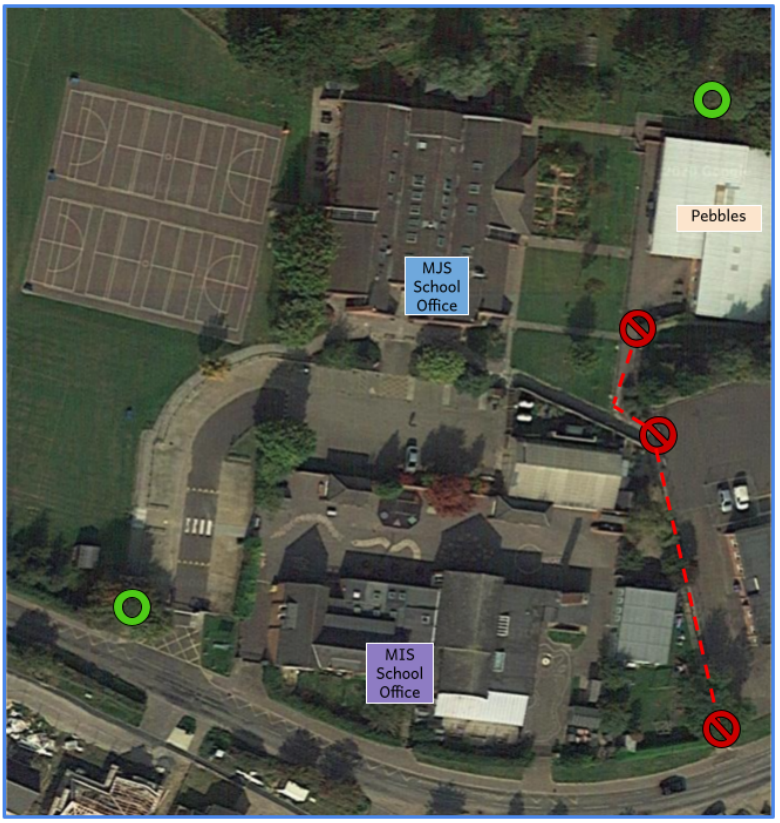

Path works on school site from Wednesday 12 April until Mid May 2023

Please note that from Wednesday 12 April until mid May there will be work being carried out on the path that runs from the main road beside the Fire Station down to Pebbles Pre-school. This access will be closed for the duration as the existing path is removed and a new surface laid.

This means that the way you access the school site will change. There will be no entrance to the school from the road on that side. Access/egress will be via the path that runs from Heath Lane (over the bridge), or from Trunch Road via the path that runs along the carpark.

Whilst the works are due to finish around mid May this is dependent upon a number of factors. If it is likely to be extended we will let you know.

Please see the map below for details of the access/egress routes to and from school. Red is the path that is closed and Green the entrances that are open and accessible.

Abi Carter
Head of Schools MIJS
