Dear Parents

Mundesley Junior School OfSTED inspection

You will be aware that Mundesley Junior School was inspected this week by OfSTED. This was a Section 5 inspection which is a judgement of whether the school remains good under the new inspection framework. Mr Jonathan Rockey (HMI) and Dr Craig Averson (OI) worked alongside the school and wider federation team to gain a really clear picture of Mundesley Junior.

On tuesday afternoon they shared their findings to the leadership team and governors. Unfortunately we are not allowed to tell parents or the staff team the outcome yet but we are really looking forward to doing so, once the quality assurance checks have been completed. This can take up to 30 working days from the date of inspection. Whilst I know this is frustrating both for the staff team and yourselves, it is part of the process for all schools. Divulging information before this time could incur a reinspection, which none of us want!

Your children were (are) amazing and definitely impressed the inspectors, who commented that they 'clearly love their school and are proud to be a Junior School pupil'. For us, there is no better endorsement of our work!

Yours sincerely,

Mike Blake | Steve Lunnis
