Coastal Together

'together aspire, together achieve, together we are stronger...'

Dear Parents and Carers,

New Telephone System for the School

On Monday 27 March we will be rolling out a new telephone system for the whole site including the Infants, Juniors, Beacon SEMH Base and Coastal breakfast and after school club.

There will be periods of downtime during the day but this will be no more than 20 minutes when the number is unavailable as it is ported from one system to another.

This means that at one point during that day the main switchboard number for the school will be unavailable for a period of 20 minutes. During that time if you need to speak to us urgently please email the office on office-mijs@coastaltogether.co.uk.

We will still be able to telephone out to parents should we need to contact you regarding your child.

We will endeavor to provide a more accurate time slot when the switchboard number for the school is due to be unavailable on the day, this will be via SMS.

Thank you for your patience and understanding.
