'together aspire, together achieve, together we are stronger...'

19 April 2023

Dear Parent/Carer,

Scabies

We have received a request from Norfolk County Council to pass on the attached scabies fact sheet as they are seeing an increase of scabies community transmission. Please note that we currently have had no reported cases within our schools.

If staff suspect that your child has symptoms then we will contact you and ask you to pick up your child from school and seek further medical advice.

Children with scabies should **not return to school until after the first treatment has been completed.**

Please contact the office if you have any questions or concerns.

Regards

Abi Carter
Head of Schools MIJS
