'together aspire, together achieve, together we are stronger...'

3rd May 2023

Dear Parents and Carers,

Federation Update

Throughout the Spring term the Governors of Coastal Together have been in discussion with the Governing Body of Swanton Abbott Primary School, who would like to join our federation of schools.

There are many benefits of being part of a bigger organisation, as has been demonstrated by the success of Coastal Together - whilst each of our village schools retain their unique identity and remain at the heart of their communities, there are robust support systems which all of our schools benefit from. Swanton Abbott is a school of similar size to Bacton and Cantley, with three classes. They are also geographically close to the Coastal element of the federation.

Just as we did when The Coastal Federation and The Together Federation joined together two years ago, we will be holding a six week consultation with all stakeholders and local schools. Hopefully but dependent upon the outcome of that consultation we would look to federate from September 2023.

Please read the consultation papers attached and contact us should you have any questions related to this.

Many thanks

Mike Blake and Steve Lunniss
Co-chairs of Governors
