## Introducing the Head of Inclusion -Rosie Maunder

Dear Parents and Carers,

I would like to take this opportunity to introduce myself. I have been a primary teacher for over twenty years and have a passion for ensuring that all children thrive and make good progress at school. I have been a Special Educational Needs Coordinator for five years working with the teachers and wider teams at Freethorpe, Cantley and Horning Primary Schools to support our children.

In my new role as Head of Inclusion for all seven schools in the Coastal Together Federation, I will be working with the Head of School and class teachers to ensure that our provision meets the wide ranging needs of our children. This will include advising and training staff on intervention programs for children and making recommendations on strategies and approaches to be adopted in class.

If you have any questions about the provision for your child or concerns about their needs please speak to your child's class teacher in the first instance. You are the expert on your child and we are committed to working in partnership with you.

I will be at Mundesley Infant and Junior Schools in person once a week and look forward to working with the schools' staff, children and families.

Kind regards,

Rosie Maunder  
Head of Inclusion
