16th June 2024

Dear Parents/Carers

## **Isle of Wight Year 6 Residential 15-19 July 2024**

We have just over 4 weeks until we are setting our alarm clocks and are off to the Isle of Wight, with our Year 6s on their final adventure at primary school. The last piece of information we need is your child's up to date medical and dietary information. Can you please complete this [survey](#) by Monday 24th June, so we can update The Cliff Hall Hotel.

### **Reminders**

- All medication must be put inside a clear plastic bag or sandwich bag with a sticky name label attached to it - this should be handed to school staff who will be waiting for parents ONLY to handover the medication.
- Children will require a packed lunch

Mrs Wilkinson (PA to Executive Head) who is NOT coming on the visit will be an EMERGENCY ONLY contact person should you need to contact us while we are in the Isle of Wight. I should stress that this number 07908188509 is not for checking-up on your child - it is there in case you have a family emergency of some sort. Mrs Wilkinson will contact me to relay emergency information only.

The kit list is on page 2 for your convenience, and the drop off and pick up times will be advised shortly.

If you have any further questions please speak to your child's head of school or email the school office and either Mr Wakeman or Mr Hopkins will respond to your query.

Yours sincerely

**Simon Wakeman**  
Executive Head

**David Hopkins**  
Designate Executive Head
