## Pocket money

During the visit there are opportunities for children to purchase souvenirs and ice creams/drinks from the venues. On some days there are multiple opportunities such as Wednesday's visit to Alum Bay where the children will have the opportunity to make a sand shape, ride in the chair lift and buy refreshments. If you would like your child to take spending money on the visit, it is suggested that children bring an absolute maximum of £10.00 per day. This should be put into envelopes clearly labelled with your child's name and day of the week and handed to teachers during the drop off on the day of travel, with the exception of spending money for the Monday outward journey which your child should keep safely with them. The labelled envelopes are intended to support the children's budgeting during the week. A purse or wallet is recommended, to ensure children keep their money safe once issued to them.

## Medication

Up-to-date medical and dietary information has been requested via an online survey and a medication form will be issued to parents who have indicated medication will need to be administered.

On the day of travel any medication your child requires should be handed to a member of staff during drop off. It must be clearly named and state the dosage required.

## Accommodation

Our accommodation for the week is Cliff Hall Hotel. The hotel has a [website](#) so you can see the accommodation we will be staying in.
