Dear Parents and Carers,

SATs Support

As part of our commitment to ensuring your child's success in their upcoming SATs, we would like to inform you about an additional homework initiative for our Year 6 students.

You may have noticed your child bringing home a Maths workbook.. This workbook is part of our efforts to provide targeted support to help your child prepare for their SATs. Each week, Year 6 children will be assigned homework in Maths and/or English/SPAG (Spelling, Punctuation, and Grammar).

Please rest assured that this work is designed to reinforce key concepts and boost your child's confidence ahead of the tests. The homework will be marked in class weekly, allowing teachers to address any areas where further support may be needed.

If you have any questions or concerns, please do not hesitate to contact your child's class teacher.

Thank you for your continued support.

Kind Regards

Sophie Bugg
Head of Schools

Ellen Hedge
Class Teacher
